Mr. H. B. Kingsley, Sir.—I have been sliing the medicine of the Graefenberg Company for the last ten years, and have, invariably found them to give great satisfaction; and the pills I have sold to a great many families as regular as their tea and course, and with my trade they have become a staple article. Marshall's Uterine Catholicon is a medicine that has done a great smoont of good in founds diseases. One lady I sold it to fold me that she had received more benealt from one bottle than she did from a long centres of medical treatment by the most skillful physicians. Yours truly,

Health of American Women.

Health of American Women.

Health of American Women.

Female Irregularities, weakness, nerine displacement, and all local uterine difficulties and constitutional troubles of women are entirely cursed by the Graefenberg Marshall's Uterine Catholicon.

In this connection, Miss Beacher, sister of the Beylenry Ward Beocher, in Letters to the People, page 139, says:

"I have nine sisters and sister-in-laws, and foorteen female coasins, all married, and all delicate and alling. Amid the immense circle of my friends and acquaintances, I cannot recall tan married Indies born in this centrary and country, who are perfectly leasibly."

In cases, however, where the Graefenberg Catholicon has been used, we must say that health has rapidly taken the place of disease, and ladics have become robust, strong, vigurous, and healthy.

Mrs. Gleazon, of Elmira, says: "Beautiful, indeed, is the confiding, trusting nature of womant, but how musch one in the does it need to be protected by a watchfulness that will lead her in time of disease to appeal to a medical advisor of scientific education, moral worth and purity of character." haracter." All these may be secured by addressing the Gracies

berg company.

I am a Methodist clergywan. My heart has fairly ached to witness the feeble health of woman as I have traveled my circuit preaching the gospel. I thank God, however, that I have seen all these diseases give way to the Graefenberg Mershall's Uterine Carthalicon, wherever it has been used. Roy. PETER SHABP, Hidgway, Michigan.
